## Professional Profile

Excellent tutor and leader with extensive knowledge of communication, analysis, planning and implementing a proper environment for the team to build up. I am a motivated, hardworking, and passionate individual pursuing a Bachelor's degree in Computer Science and Information Technology.

With over 1 years' group management experience I hold an exceptional record of providing a good environment and focusing on developing proper skill sets to improve and score excellency. Earning, learning, and serving with the company such as CloudFactory helped to develop certain skill sets such as character, competency, and community with a vast knowledge of what a leader can do.

## Core Skills

- Project planning and management
- Scheduling and time management
- Risk assessment
- Team management
- Effective communication
- Leadership
- Critical thinking and problem solving
- Multitasking
- Basic technical knowledge (Excel sheets, Google Docs)
- Basic Programming knowledge (C, C++, JavaScript, HTML, CSS)
